A Nationalist by Heart, an Active Scientist
-Technocrat in Practice and a Thorough
Gentleman by Nature**

India has taken a quantum leap in the last decade in the field of diamond manufacturing, putting the rest of the world behind. Technology has played a vital role in keeping us ahead of the competition. Meeting Arvind Patel of Sahajanand Laser Technology pleasantly revealed many facts which we were not aware of in this regard. These are the facts that anyone in today's world will be more than happy to boast of. But he is a man of few words; one has to coerce him to speak about himself. He is a man of deeds who believes let your deeds speak a thousand words. What touches you is his simple unwavering adherence to moral standards, dedication
