### **Sahajanand Laser Technology awarded**

The BID World Congress held meetings in Paris, London, Madrid, Geneva, Frankfurt, and New York and gathered companies from 93 countries. The participating leaders were requested to submit their proposals for the Annual World Quality Commitment (WQC) award in Paris on September 25, 2006.

Those companies that were selected comprised large, medium, as well as those listed in the global fortune 500. The companies demonstrated leadership excellence within each designated industry; increased market share, improved results, as well as sustainability.

On the basis of WQC regulations and criteria, Sahajanand Laser Technology received the World Quality Commitment Award in the gold category in Paris.

The prestigious award, given to leaders by leaders, was sponsored by 17 media publications, all oriented towards changes and trends in the global markets, and focussed on innovation, technology, new products, business news and finance.
